About The Home

This exquisite multi-storied townhouse offers an urban lifestyle with private patio & expansive roof top deck offering 360 degree views of city & mountains. The stunning kitchen features custom cabinets by a local craftsman with top of the line Viking, Miele & Liebherr appliances including espresso machine, slab Carrera marble counters & built-in 2.5" solid Sapele dining table. Two master suites feature stunning baths with gorgeous tile, Carrera counter tops, & custom built-ins adorn the walk-in closets. The recreational room offers a smart wet bar with leather-covered cabinets & beautiful custom built media center including TV & components. This unique town home features a studio over the garage accessed by stairs that will never need shoveling, in-floor radiant heat with high efficiency boiler & HRV system throughout. Two laundry rooms are equipped with the finest laundry appliances. Sprinklered for fire safety. Sprinklers & security system are monitored by Guardian.
